**INVESTMENT AGREEMENT
for
Self-Directed IRA Investors**

THIS INVESTMENT AGREEMENT ("Agreement") is executed effective as of 8/11/2020 | 8:51 AM EDT (the "Effective Date") by and between IAMC, LLC, a Minnesota limited liability company ("IMC"), and Midland Trust Company as Custodian FBO Getald Allen [REDACTED] (the "Investor") (Investor is the owner of the IRA and not the IRA Account Name).

RECITALS

A. IMC has established Class C Interests for 64 Accredited Investors and no more than 35 non-Accredited Sophisticated Investors, for the purpose to pool Investors funds and to invest the aggregate pooled funds by acquiring Class A Interests in Advisors Equity LLC at \$10,000 per Class A Interest.

B. Advisors Equity LLC ("AE") is a Delaware limited liability company, that is a special purpose investment vehicle seeking to raise funds through the sale of Class A Member Interests in order to invest in, acquire, hold and/or sell securities of private and public entities ("Portfolio Securities").

C. AE intends to focus its investments in restricted equity securities issued by *Impossible Foods Inc.* and similar entities (the "Issuer Securities"), provided, however, AE may invest up to 25% of investable proceeds in other types of securities which AE's Manager, IMC (the "Manager") believes possess the potential for capital appreciation. Acquisitions of Issuer Securities may be made through direct purchases from the holders thereof or through investments in various entities the sole holdings of which are Issuer Securities.

D. IMC is the Managing Member and sole Class B member for AE and the sole Manager of AE.

E. IMC will not charge any fees on the Class C Interests or on the assets purchased on behalf of the Class C Members and will not share in any of the profits or losses on the assets for Class C Interests. IMC is being compensated by AE for management, placement, and profit-sharing fees as the Manager of AE.

F. The Class C Interests of IMC will only share in the net profits and net losses from the specific IMC asset, Class A Interests of AE, invested in AE by IMC on behalf of the Class C Interests of IMC. The Class C Interests will not share in the net profits or net losses of IMC on any of IMC's other assets, revenues sources, or income producing activities, including any of the fees earned from IMC's role as the Manager for AE.

G. The Investor hereby elects to purchase a total (USA dollars) \$ 20000.00 of Class C Interests, at a price equal to \$10,000 per Class C Interest, the same price of the AE Class A Interests at \$10,000 per Class A Interest in AE. Fractional Interests allowed, for example \$25,000 = 2 ½ Interests or Units.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Representations and Warranties of Investor. Investor understands that the issuance of the Units has not been registered under the Securities Act of 1933, as Amended (the "Act"). Investor also understands that the Units are being offered and sold pursuant to an exemption from registration contained in the Act based in part

upon Investor's representations contained in this Agreement. Investor hereby represents and warrants to IMC as follows:

i. Investor is capable of evaluating the merits and risks of an investment in IMC, which is investing in AE and has the capacity to protect Investor's own interests. The sale of the Units is not being registered and Investor must bear the economic risk of this investment indefinitely unless the resale of the Units is registered pursuant to the Act, or an exemption from registration is available. Investor understands that there is no assurance that any exemption from registration under the Act will be available and that, even if it is available, such exemption may not allow Investor to transfer all or any portion of the Units under the circumstances, in the amounts or at the times Investor might propose.

ii. Investor is acquiring the Units for Investor's own account for investment only, and not with a view towards their distribution.

iii. Investor acknowledges that he has had an opportunity to ask questions of and receive answers from IMC, or a person or persons acting on IMC's behalf, concerning the terms and conditions and all other aspects of investment in the Units.

iv. On the signature pages to this Agreement, the Investor has truthfully certified whether Investor is an "accredited investor" as defined in Rule 501 of the Securities Act, including the basis on which the Investor may satisfy such definition by net income or net worth or has checked off as a "non-accredited investor" and qualifies as a sophisticated investor to make this investment.

v. Investor shall be bound by the terms and conditions of IMC's Amended and Restated Agreement of Limited Liability Company (as amended from time to time, the "LLC Agreement"). Upon execution of this Agreement by Investor, Investor shall be bound automatically by the LLC Agreement as a Class C Member of IMC as well as be bound by the Operating Agreement for Advisors Equity LLC, which the Class C Member's purchase of Interest's proceeds will be invested. Investor acknowledges receiving and having an opportunity to review both the LLC Agreement and the AE Operating Agreement prior to the Effective Date.

vi. By executing and delivering this Agreement, the investor acknowledges, warrants and represents as follows: (a) the Investor has full legal power and capacity to execute and deliver this Agreement, and upon such execution and delivery this Agreement shall be the valid and binding agreement of the Investor, enforceable in accordance with its terms; and (b) the execution and delivery of this Agreement will not conflict with or result in any default of any other agreement to which the Investor is bound.

2. Lock-Up. Withdrawals of capital are restricted during the two (2) year period following the date of acquisition of the AE Class A Interests by IMC, which will apply to the IMC Class C Member Interests, as no Member will have the right to withdraw all or any partial amount of his or its Capital Account (either in cash or in the form of Portfolio Securities), without the prior consent of the Manager, which consent may be withheld for any reason.

3. Restrictions. The Company, AE, believes that any Issuer Securities that it acquires will be subject to the same restrictions on transfer and rights of first refusal as they were when held by the holders of Issuer Securities from whom they were acquired. These restrictions include lock-up provisions pursuant to which the Company, or a Fund holding such Issuer Securities, would not be permitted to sell Issuer Securities for a set period of time, which is generally up to 180 days following the effective date of an initial public offering by an Issuer, unless such sale is consented to by the Issuer and the lead underwriter for such offering.

4. **Confidentiality.** Investor agrees that the matters set forth in this Agreement are confidential and that the matters set forth in this Agreement have not and shall not be disclosed except to accountants, attorneys and insurers or unless compelled to do so by subpoena, governmental investigation or audit (in which case Investor shall promptly notify IMC prior to such disclosure). Any such permitted disclosure must include a statement that the terms of this Agreement are confidential.

5. **Governing Law; Venue.** This Agreement is governed by the laws of the State of Minnesota without regard to its conflicts-of-law principles. The parties hereby irrevocably and unconditionally consent to submit to the non-exclusive jurisdiction of the courts of the State of Minnesota and of the United States of America located in Minneapolis, Minnesota (the "Courts") for any litigation arising out of or relating to this Agreement and the transactions contemplated hereby, waive any objection to the laying of venue of any such litigation in the Courts and agree not to plead or claim in any Court that such litigation brought therein has been brought in an inconvenient forum.

6. **Further Assurances.** From time to time after the Effective Date, at the request of a party, the other party shall execute and deliver such documents and take such other action as the requesting party may reasonably request to consummate the transactions contemplated hereby.

7. **Severability.** The provisions of this Agreement are severable, and if any provision of this Agreement shall be determined to be invalid or unenforceable under applicable law, such invalidity or unenforceability shall not in any way affect the validity or enforceability of the remaining provisions hereof.

8. **Entire Agreement.** The parties hereto acknowledge that this Agreement sets forth the entire agreement and understanding of the parties hereto as to the subject matter hereof, and shall not be subject to any change or modification except by the execution of a written instrument by the parties hereto and shall supersede all previous communications, agreements, representations or understandings, either oral or written, among Investor and IMC relating to the subject matter hereof.

9. **Enforcement Expenses.** The prevailing party in any action or injunction to enforce the terms of this Agreement shall be entitled to recover from the other party its costs and expenses incurred in such action or injunction, including reasonable attorneys' fees and other litigation expenses. For purposes of this Agreement, the "prevailing party" means the party (as plaintiff or defendant) which is finally determined to have materially prevailed on its claim for liability under or for breach of this Agreement or in its position in a declaratory action proceeding, or in its defense of any claim hereunder, regardless of whether any damages or other relief is awarded such party.

EXCHANGE AND RELEASE AGREEMENT

THIS EXCHANGE AND RELEASE AGREEMENT ("Agreement") is executed effective as of June 9, 2015 (the "Effective Date") by and between AWA Group LP, a Delaware limited partnership ("AWA"), and Gerald K. and Lori A. Allen (the "Investor").

RECITALS

A. In the future, AWA intends to sell \$20 million to \$50 million of its Class A Units, also referred to as Common Units (the "Units") in an initial public offering (the "IPO") in compliance with Regulation A of the Securities Act of 1933, as amended (the "Act").

B. The Investor previously subscribed (the "Investment") to purchase certain securities, including but not limited to limited partnership interests and warrants (the "Affiliate Securities") of Nucleus Advisers LP ("Nucleus") and/or MLP, a to-be-formed Maryland master limited partnership ("MLP"), through IAMC, LLC, a Minnesota limited liability company ("IAMC"), as the offering administrator of MLP.

C. IAMC is (i) the sole member of AWA Management LLC ("AWA Mgmt"), a Delaware limited liability company and the founding general partner of AWA, and (ii) the founding limited partner of AWA.

D. IAMC, the Investor and AWA have agreed upon the terms by which the proceeds of the Investment shall be used to pay for prior, current and expected costs and expenses related to the organization of AWA Mgmt and AWA, the IPO and working capital for AWA and AWA Mgmt, in exchange for certain Units to be issued to the Investor, as set forth herein.

E. The Investor also agrees to waive any and all claims related to, among other things, the Investment, in exchange for Units, upon the terms and conditions set forth herein.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Cancellation of Affiliate Securities. Investor acknowledges and agrees that all of the Affiliate Securities are cancelled in their entirety.

2. Issuance of Units. Effective as of the Effective Date, AWA hereby issues to Investor 100,254 Units, which Units shall be fully paid, validly issued and non-assessable limited partnership interests of AWA.

3. Representations and Warranties of Investor. Investor understands that the issuance of the Units has not been registered under the Act. Investor also understands that the Units are being offered and sold pursuant to an exemption from registration contained in the Act based in part upon Investor's representations contained in this Agreement. Investor hereby represents and warrants to AWA as follows:

i. Investor is capable of evaluating the merits and risks of an investment in AWA and has the capacity to protect Investor's own interests. The sale of the Units is not being registered under the IPO, and Investor must bear the economic risk of this investment indefinitely unless the resale of the Units is registered pursuant to the Act, or an exemption from registration is available. Investor understands that there is no assurance that any exemption from registration under the Act will be available and that, even if it is available, such exemption may not allow Investor to transfer all or any portion of the Units under the circumstances, in the amounts or at the times Investor might propose.

ii. Investor is acquiring the Units for Investor's own account for investment only, and not with a view towards their distribution.

iii. Investor acknowledges that he has had an opportunity to ask questions of and receive answers from AWA, or a person or persons acting on AWA's behalf, concerning the terms and conditions and all other aspects of investment in the Units.

iv. On the signature pages to this Agreement, the Investor has truthfully certified whether Investor is an "accredited investor" as defined in Rule 501 of the Securities Act, including the basis on which the Investor may satisfy such definition.

v. Investor shall be bound by the terms and conditions of AWA's Amended and Restated Agreement of Limited Partnership (as amended from time to time, the "Partnership Agreement"). Upon execution of this Agreement by Investor, Investor shall be bound automatically by the Partnership Agreement as a limited partner of AWA. Investor acknowledges receiving and having an opportunity to review the Partnership Agreement prior to the Effective Date.

vi. By executing and delivering this Agreement, the Investor acknowledges, warrants and represents as follows: (a) the Investor has full legal power and capacity to execute and deliver this Agreement, and upon such execution and delivery this Agreement shall be the valid and binding agreement of the Investor, enforceable in accordance with its terms; and (b) the execution and delivery of this Agreement will not conflict with or result in any default of any other agreement to which the Investor is bound.

4. Lock-Ups. Investor agrees to execute a customary lock-up agreement, if requested by the underwriters of the IPO that restricts, without the prior written consent of such underwriters, sales of Units of the Investor and certain affiliates and related persons for up to 12 months after the completion of the IPO; provided, that all other persons that purchase Units pursuant to an exchange and release agreement with AWA prior to the IPO shall be bound by similar restrictions as Investor.

5. Investor's Release. Investor, on behalf of Investor and each of Investor's affiliates, successors, assigns, beneficiaries, insurers, indemnitors, trustees, agents and representatives (collectively, the "Investor Releasing Parties"), hereby releases and forever discharges Nucleus, MLP, IAMC, AWA Mgmt, L. Edward Baker, and their subsidiaries and affiliates, and each of their respective officers, managers, governors, directors, shareholders, partners, members, affiliates, predecessors, successors, assigns, estates, insurers, indemnitors, attorneys, employees, agents and representatives, if any (collectively, the "Released Parties"), of and from any and all past, present and future claims, demands, liabilities, judgments, and causes of action, at law or in equity, known or unknown, asserted or unasserted, liquidated or unliquidated, absolute or contingent, accrued or not accrued, which any of the Investor Releasing Parties (either individually or jointly) ever had, presently has, might have in the future, claim to have, or claim to have had against any of the Released Parties related to the Affiliate Securities and those claims arising out of, touching upon, relating to, or in any manner connected with any act or omission of any of the Released Parties occurring prior to the Effective Date; provided, however, that the foregoing shall not release or waive a breach by AWA of this Agreement.

6. Covenant Not To Sue. Investor, on behalf of Investor and the Investor Releasing Parties, hereby irrevocably covenants to refrain from asserting any claim or demand, or commencing, instituting or causing to be commenced, any proceeding of any kind against any of the Released Parties based upon any matter purported to be released hereby.

7. Confidentiality. Investor, on behalf of Investor and the Investor Releasing Parties, agrees that the matters set forth in this Agreement are confidential and that the matters set forth in this Agreement have not and shall not be disclosed except to accountants, attorneys and insurers or unless compelled to do so by subpoena,

governmental investigation or audit (in which case Investor shall promptly notify AWA prior to such disclosure). Any such permitted disclosure must include a statement that the terms of this Agreement are confidential.

8. Governing Law; Venue. This Agreement is governed by the laws of the State of Delaware without regard to its conflicts-of-law principles. The parties hereby irrevocably and unconditionally consent to submit to the non-exclusive jurisdiction of the courts of the State of Minnesota and of the United States of America located in Minneapolis, Minnesota (the "Courts") for any litigation arising out of or relating to this Agreement and the transactions contemplated hereby, waive any objection to the laying of venue of any such litigation in the Courts and agree not to plead or claim in any Court that such litigation brought therein has been brought in an inconvenient forum.

9. Third Party Beneficiaries. Each of the Released Parties shall be an intended third party beneficiary of this Agreement.

10. Further Assurances. From time to time after the Effective Date, at the request of a party, the other party shall execute and deliver such documents and take such other action as the requesting party may reasonably request to consummate the transactions contemplated hereby.

11. Severability. The provisions of this Agreement are severable, and if any provision of this Agreement shall be determined to be invalid or unenforceable under applicable law, such invalidity or unenforceability shall not in any way affect the validity or enforceability of the remaining provisions hereof.

12. Entire Agreement. The parties hereto acknowledge that this Agreement sets forth the entire agreement and understanding of the parties hereto as to the subject matter hereof, and shall not be subject to any change or modification except by the execution of a written instrument by the parties hereto and shall supersede all previous communications, agreements, representations or understandings, either oral or written, among Investor, AWA and IAMC relating to the subject matter hereof.

13. Enforcement Expenses. The prevailing party in any action or injunction to enforce the terms of this Agreement shall be entitled to recover from the other party its costs and expenses incurred in such action or injunction, including reasonable attorneys' fees and other litigation expenses. For purposes of this Agreement, the "prevailing party" means the party (as plaintiff or defendant) which is finally determined to have materially prevailed on its claim for liability under or for breach of this Agreement or in its position in a declaratory action proceeding, or in its defense of any claim hereunder, regardless of whether any damages or other relief is awarded such party.

EXCHANGE AND RELEASE AGREEMENT

THIS EXCHANGE AND RELEASE AGREEMENT ("Agreement") is executed effective as of October 23, 2018 (the "Effective Date") by and between Affiliated Wealth Advisors LP, a Delaware limited partnership ("AWA"), and Gerald K. Allen (the "Investor").

RECITALS

A. AWA intends to sell \$50 million of its Class A Units, also referred to as Common Units (the "Units"), in an offering (the "Offering") in compliance with Regulation A of the Securities Act of 1933, as amended (the "Act").

B. The Investor is purchasing Secondary Founders Units previously subscribed by Get Resources Group, LLC (the "Investment") to purchase certain securities, including but not limited to limited partnership interests (the "Affiliate Securities") of MLP, a master limited partnership ("MLP"), through IAMC, LLC, a Minnesota limited liability company ("IAMC"), as the offering administrator of MLP and exchanged for Founders Units as Affiliated Wealth Advisors LP Class A Common Units.

C. The Investor also agrees to waive any and all claims related to, among other things, the Investment, in exchange for Secondary Founders Units, upon the terms and conditions set forth herein.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Issuance of Units. Effective as of the Effective Date, AWA hereby issues to Investor 3,872 Units purchased at \$7.20 per unit, which Founders Secondary Units shall be fully paid, plus 113,398 Units Investor owned as Founders' Units and added to these newly paid units, a total of 117,270 Units are all validly issued and non-assessable limited partnership interests of AWA, as Class A Common Units.

2. Representations and Warranties of Investor. Investor understands that the issuance of the Units has not been registered under the Act. Investor also understands that the Units are being offered and sold pursuant to an exemption from registration contained in the Act based in part upon Investor's representations contained in this Agreement. Investor hereby represents and warrants to AWA as follows:

i. Investor is capable of evaluating the merits and risks of an investment in AWA and has the capacity to protect Investor's own interests. The sale of the Units is not being registered under the Act, and Investor must bear the economic risk of this investment indefinitely unless the resale of the Units is registered pursuant to the Act, or an exemption from registration is available. Investor understands that there is no assurance that such exemption from registration under the Act will be available and that, even if it is available, such exemption may not allow Investor to transfer all or any portion of the Units under the circumstances, in the amounts or at the times Investor might propose.

ii. Investor is acquiring the Founders Secondary Units for Investor's own account for investment only, and not with a view towards their distribution.

iii. Investor acknowledges that he has had an opportunity to ask questions of and receive answers from AWA, or a person or persons acting on AWA's behalf, concerning the terms and conditions and all other aspects of investment in the Units.

iv. On the signature pages to this Agreement, the Investor has truthfully certified whether Investor is an "accredited investor" as defined in Rule 501 of the Securities Act, including the basis on which the Investor may satisfy such definition.

v. Investor shall be bound by the terms and conditions of AWA's Amended and Restated Agreement of Limited Partnership (as amended from time to time, the "Partnership Agreement"). Upon execution of this Agreement by Investor, Investor shall be bound automatically by the Partnership Agreement as a limited partner of AWA. Investor acknowledges receiving and having an opportunity to review the Partnership Agreement prior to the Effective Date.

vi. By executing and delivering this Agreement, the Investor acknowledges, warrants and represents as follows: (a) the Investor has full legal power and capacity to execute and deliver this Agreement, and upon such execution and delivery this Agreement shall be the valid and binding agreement of the Investor, enforceable in accordance with its terms; and (b) the execution and delivery of this Agreement will not conflict with or result in any default of any other agreement to which the Investor is bound.

3. Lock-Up. If requested by the underwriters of the Offering in the future, Investor agrees to execute a customary lock-up agreement, that restricts, without the prior written consent of such underwriters, sales of Units of the Investor and certain affiliates and related persons for up to 12 months after the completion of the Offering; provided, that all other persons that purchase Units pursuant to an exchange and release agreement with AWA prior to the Offering shall be bound by similar restrictions as Investor.

4. Investor's Release. Investor, on behalf of Investor and each of Investor's affiliates, successors, assigns, beneficiaries, insurers, indemnitors, trustees, agents and representatives (collectively, the "Investor Releasing Parties"), hereby releases and forever discharges MLP, LAMC, AWA, Advisory GP LLC, L. Edward Baker, Oil Resources Group, LLC and their subsidiaries and affiliates, and each of their respective officers, managers, governors, directors, shareholders, partners, members, affiliates, predecessors, successors, assigns, heirs, insurers, indemnitors, attorneys, employees, agents and representatives, if any (collectively, the "Released Parties"), of and from any and all past, present and future claims, demands, liabilities, judgments, and causes of action, at law or in equity, known or unknown, asserted or unasserted, liquidated or unliquidated, absolute or contingent, accrued or not accrued, which any of the Investor Releasing Parties (either individually or jointly) ever had, presently has, might have in the future, claim to have, or claim to have had against any of the Released Parties related to the Affiliate Securities and those claims arising out of, touching upon, relating to, or in any manner connected with any act or omission of any of the Released Parties occurring prior to the Effective Date; provided, however, that the foregoing shall not release or waive a breach by AWA of this Agreement.

5. Covenant Not To Sue. Investor, on behalf of Investor and the Investor Releasing Parties, hereby irrevocably covenants to refrain from asserting any claim or demand, or commencing, instituting or causing to be commenced, any proceeding of any kind against any of the Released Parties based upon any matter purported to be released hereby.

6. Confidentiality. Investor, on behalf of Investor and the Investor Releasing Parties, agrees that the matters set forth in this Agreement are confidential and that the matters set forth in this Agreement have not and shall not be disclosed except to accountants, attorneys and insurers or unless compelled to do so by subpoena, governmental investigation or audit (in which case Investor shall promptly notify AWA prior to such disclosure). Any such permitted disclosure must include a statement that the terms of this Agreement are confidential.

7. Governing Law; Venue. This Agreement is governed by the laws of the State of Delaware without regard to its conflicts-of-law principles. The parties hereby irrevocably and unconditionally consent to submit to the non-exclusive jurisdiction of the courts of the State of New York and of the United States of America located in New York City, New York (the "Courts") for any litigation arising out of or relating to this Agreement and the transactions contemplated hereby, waive any objection to the laying of venue of any such litigation in the Courts and agree not to plead or claim in any Court that such litigation brought therein has been brought in an inconvenient forum.

8. Third Party Beneficiaries. Each of the Released Parties shall be an intended third-party beneficiary of this Agreement.

9. Further Assurances. From time to time after the Effective Date, at the request of a party, the other party shall execute and deliver such documents and take such other action as the requesting party may reasonably request to consummate the transactions contemplated hereby.

10. Severability. The provisions of this Agreement are severable, and if any provision of this Agreement shall be determined to be invalid or unenforceable under applicable law, such invalidity or unenforceability shall not in any way affect the validity or enforceability of the remaining provisions hereof.

11. Entire Agreement. The parties hereto acknowledge that this Agreement sets forth the entire agreement and understanding of the parties hereto as to the subject matter hereof and shall not be subject to any change or modification except by the execution of a written instrument by the parties hereto and shall supersede all previous communications, agreements, representations or understandings, either oral or written, among Investor, AWA, IAMC and Oct Resources Group, LLC relating to the subject matter hereof.

12. Enforcement Expenses. The prevailing party in any action or injunction to enforce the terms of this Agreement shall be entitled to recover from the other party its costs and expenses incurred in such action or injunction, including reasonable attorneys' fees and other litigation expenses. For purposes of this Agreement, the "prevailing party" means the party (as plaintiff or defendant) which is finally determined to have materially prevailed on its claim for liability under or for breach of this Agreement or in its position in a declaratory action proceeding, or in its defense of any claims hereunder, regardless of whether any damages or other relief is awarded such party.

Ed, working on details with Guardian the Life Insurance carrier and completing the forms. We will purchase 6250 shares @ \$8.00 per unit for a total of \$50,000.00. In addition the plan is to sell the number of shares at the time IPO to pay off the life insurance loan of \$50,000.00. Therefore @ \$16.00 per unit that scenario would be to sell 3125 units when it is possible after the IPO. Jerry.

Jerry, see attached PDF with instructions to do online form and send your check.

You can go ahead and send check, as you can in the first group and your message will be filled. Please note bank account to address name on checks. If you cannot do a Priority Mail envelope with your up north location, you might want to put an extra piece of paper with the check, to insure enough weight in the envelope.

Thanks for your quick reply.

CONFIDENTIAL NOTICE

To: Founders' Shareholders of Affiliated Wealth Advisors LP

RE: Private Placement Notice

Today there are 40,000 subscribed share units available to be purchased at \$8.00 per share unit.

The share units were subscribed for in 2010, but never funded. This is why the share units are available before the IPO. The share units are included in the total "Founders" share units listed in the Offering Circular filed. The IPO is to be priced between \$16-\$20 per share unit.

All of you as Founders are being offered the opportunity just to purchase these share units. You have until next Tuesday at 5 pm CDT, to go online and indicate the # of share units you would like to purchase.

If you want to purchase more share units, send a reply email.

You will then receive the "graphic address with the password" to complete your indication amount for this private sale. The "Indication on-line form" is time-date stamped and share units sold will be by the order of the time-date stamp for fulfillment.

Starting next Wednesday May 26th, if any share units remain available, they will be offered to select Friends & Family, who want to get in at the discounted price before the IPO.
